At a meeting of the Town Council held on August 19 in connection with the cement sidewalks, the following resolution was passed:—

Swennumson-Rolfe.—"Whereas petitions have been presented to the Council praying for the construction of certain cement sidewalks on the streets named in such petitions, and such petitions are signed as required by By-law No. 73 and the names of the assessed owners of all parcels of land affected are noted on such petitions, together with the assessed values of such parcels.

"Resolved, that cement sidewalks be constructed in accordance with the petitions presented to this Council with two crossings at the intersections of Lethbridge Avenue and Main Street; four crossings at the intersection of Bow Avenue and Main Street; one at the intersection of Bell and Bow Avenue, and crossings of all lanes abutting on streets mentioned in said petition, and that such sidewalks be constructed under the provisions of By-law No. 73.

And, whereas the Public Works and Property Committee has reported that the total length of such sidewalks is 3,731 feet; that the total number of frontage to be assessed by special frontage assessment is 2,549 feet.

"That the total cost of such sidewalks and crossings is \$10,000.00; that the proportion to be raised by special frontage assessment is \$4,260.00 and the proportion to be raised by the town of large is \$6,300.00; that the probable life term of the improvement is 20 years.

"Further, resolved that all corners included in said petitions shall be assessed at one half their total frontage on both streets and that by-laws be introduced providing for the borrowing on debentures of the amounts payable by the town at large and by special frontage assessment repayable in each case with interest at 6 per cent. in twenty equal annual instalments, and that application be made to the Public Utility Commission for permission to borrow the said sums and to the Minister of Finance for permission to sell the debentures."—Carried. Unanimous.

At the above meeting the Council decided to despatch the chairman of public works (Councillor Bratton) with Secretary Bateman to interview the Utility Commission at Edmonton relative to the cement sidewalk debentures.

The heavy expenditure in connection with the new school has evidently exceeded expectations. School Trustees Stewart and Duhaime interviewed the Council on the 16th with reference to getting a loan of \$3600.00 on the taxes of the district. At the special meeting of the Council held on the 16th the trustees were advised to see the bank.

Requests these days come thick and fast. Messrs. Ferne, Politit and Dr. Baines, representing the Local Board of Health, were present at the meeting of the Council on the 16th with reference to having a nuisance ground provided, also the erection of an isolation hospital and the appointment of a scavenger. They were informed that the Council would consider the matter and they would be advised in due course.

Ship Shortage Pressing Need of the Allies

Lloyd George Declares, "Now That Food Question Solved, Now That War Must Get Answered."

"The problem of shipping is still before the allies now, that the food question has been solved," said Premier Lloyd George in a speech to the House of Commons by the government's junior of Herbert C. Hoover, the American food administrator, and the French and Italian food ministers. America would have a gigantic task in getting the tonnage of tonnage to bring supplies would be greater than the tonnage needed to bring men to Europe. The Americans were building ships very fast, but the demand for tonnage was still greater than the use of food and other necessities was still urgent.

Hoover, in the output of shipping last month for the first time, was greater than the losses, and the surplus would increase monthly, still the demand was growing at an even faster rate. The tonnage shipped saved meant an addition to the arrangement and efficiency of the American food administration, the allies are based. The premier added: "Consequently there is urgent need for stern and rigid economy."

"We are learning many things in the war which began for us foreigners to each other. We shall never meet as foreigners again. We were not friends and we are beginning to discuss things as though we were friends again. There is a common cause, common ideal, common ardor and common cause."

"We are making shipping common as far as possible."

Hoover said that the only problem was that of ships and that problem had been helped greatly by the solution of the food problem by the American food administrator. He said that food supplies are assured for the period of the war and I do not more than two years hence. In less than two years the result will be very different. He has a good example of Premier Lloyd George for economy, the necessity for which has been brought to the attention of far had attended the efforts of the various governments.

If a man refuses to act an example, it is foolish if he expects the world to have a good opinion of him.

The steam trawler *Triumph*, fitted with two guns and wireless, and manned by 16 Germans from the submarine which captured her on Tuesday, is raiding the fishing banks off the Nova Scotia coast.

Burdett. — The Sunday School of the Methodist church held its annual picnic at the river on Tuesday. Somewhere about fifteen cars left early for the scene loaded with scholars. One of the chief attractions was a ball game between Westfield and Burdett. In addition to which there was a big program of races, etc. Everyone enjoyed themselves immensely.

Mrs. Clem Houghtaling was the guest last week of Mr. and Mrs. Jack Hamilton.

The members of the L.D.S. Church held a baptismal service at the river north of town on Sunday last. O. Urenbach, president of the Sunday School, Leithbridge, was the principal speaker. There was a large attendance.

Farmers are all busy cutting Threshing will commence this week.

A. Hamilton is putting on an addition to his house.

The ladies of the Relief Society of the L.D.S. Church are busy just now making quilts, which will eventually be sold to help defray expenses in connection with the new church.

Mr. and Mrs. G. W. Green, who have been visiting various points in the States, returned this week. They report having had a very pleasant vacation.

Miss Anderson of the Standard Bank left on Tuesday to spend her vacation at Banff.

It is reported that the School Trust-

tees are making arrangements to run four or five vans in connection with the new school.

Fred Findley, C. T. MacKinnon, W. J. Elliot and Geo. Lomas were engaged one day this week in branding steers at the latter's ranch north of town. Eight three-year-old steers were put through their initiation, and the branders report having had a glorious time. The different members of the party all agree that the branding was done in record time, but some of them seem somewhat cloudy regarding the exact time. W. J. is confident it only took sixteen seconds and some fifth seconds. Geo. Lomas authoritatively states, however, the exact time was nine minutes and six seconds. We'll let it go at that.

The rain which fell Friday and Saturday nights was greatly appreciated by the farmers.

—o—

The new well at the school has now been drilled in and a plentiful supply of water has been obtained. The drillers, we understand, estimate the Bow at ten barrels per hour.

Bill Perry is hunting scorpions.

—o—

A correspondent sends us the following item:—The Burdett celebrated house van and crowd were out joy-riding on Sunday.

That is all we know about it, but members of the party may possibly furnish further particulars.

Westfield.

The Intermediate class of the Westfield Sunday School were well entertained last Saturday evening at the home of their teacher, Mrs. T. A. Marine. After a delicious tea, games were played and a good time was had generally.

Mr. and Mrs. Madill spent Sunday morning with F. R. Elford.

—o—

Miss E. Jones has returned to her home in Medicine Hat after a week in Westfield.

—o—

Ida, Velma and Eddie Sevalrend were weekend visitors in the neighborhood.

—o—

The rain, which fell Friday and Saturday nights was greatly appreciated by the farmers.

A Pardon for Deserters.

The 24th of August is the last day upon which pardon is granted to those who are deserters or who have failed to report to the military authorities.

The extreme penalty of the law will be visited upon defectors after that date.

No more applications for the Canadian naval air service will be accepted.

Local and General.

We are informed that during the storm on Tuesday night lightning struck a large barn belonging to Jas. M. Gibson at Mabel and the fire which resulted destroyed the building and contents, including a couple of binders.

Mr. Flath with her two sons returned home to Manyberries on Monday after paying visits to Mrs. B. T. Whitney and Mrs. T. R. Blaine.

Mr. and Mrs. A. F. Worts awoke down into the Milk River country last week-end and visited several places of interest. The journey, Mr. Worts states, will take only a little over three hours and it is well worth it.

Quite a lot of rain has fallen during the past week and the ground is now pretty well soaked. Many of our farmers who are cutting would, however, have probably preferred to have had it dry for a week or two longer.

Mr. L. M. Cullen has been receiving a visit this week from his father and brother, of Ottawa and Sudbury, Ontario, respectively. After their visit here they will go on to Nelson B.C., and thence to Edmonton. Mr. Cullen sen., is in government service at Ottawa and is thirty-five years since he made a similar trip out west.

Birth—On Wednesday, August 21st, to Mr. and Mrs. Herman Smith, a son.

Notwithstanding the unfavorable crop this year and the likelihood of a quiet fall and winter, it is nevertheless a healthy sign to be informed that real estate in Bow Island is picking up. Neelius and Bako have sold eighteen lots to various parties just recently, three of whom it is understood have signed their intention to build this fall. All the lots sold are situated south of the track.

Victory Bonds.

I will buy Victory Bonds for spot cash—\$0.00, 9c., and 15c. plants for 25c.—Will not be returned. Bow Island.

Applications will be received by the Board of Education, the Board of Trustees and Attendance Officer for the Bow Island School District No. 1883.

Applications must be received by the undersigned before noon of SAT. AUGUST 25th.

Particulars as to duties, etc., may be obtained on application to W. A. McWilliams, Secretary, Bow Island School District No. 1883.

BOW ISLAND PUBLIC BOARD OF HEALTH.**NOTICE.**

NOTICE IS HEREBY GIVEN that the PUBLIC HEALTH BOARD of the BOW ISLAND PUBLIC BOARD OF HEALTH, CLAUSE 12, "no person shall keep any hog within the boundaries of the town of Bow Island" is hereby repealed. Other clauses included "Bison and Lake Louise," showing Henry Ford's party climbing the mountains, "The top of the world," and others—all good. Mr. Healeysley also put on the opening of his stirring serial, "The House of Hate." It is a real gripper.

J. POLLUTT,
Secretary,
Local Board of Health.

The Red Cross of Bow Island is anxious to get the names of all soldiers who enlisted from this district and who are now on active service, in order that they may share in the distribution of Christmas boxes which will be sent shortly overseas. The names should be sent to the secretary (Mrs. W. J. Oliver) as soon as possible.

Mrs. G. W. Johnston donated to the Red Cross this week a handsome cushion. It will probably be raffled at a convenient date. The cushion is on display at Mrs. Bruce's.

Mr. and Mrs. W. Beattie, of Amherst, N. S., who have been visiting their sons, Harold and Roy, left on Wednesday to visit friends in Saskatchewan.

Miss Smith, sister to Mrs. T. R. Blaine, who has been assisting at the drug store for some time, left on Wednesday for Banff and other points in the Rockies previous to visiting friends in the States.

A special holiday service of the Fertile Plains school will be held on the 29th of September. A good program consisting of recitations and solos from the scholars will be rendered. Everybody is cordially invited. The collection will be in aid of the General Sunday School Fund of the Dominion of Canada. Be sure of the day and the hour—September 29th at twelve o'clock.

Zion Lutheran Church service will be held in the United Church, Bow Island, on Sunday, September 1st, at one p.m. English service will be held in the Fertile Plains school on the same day at 3.30 p.m.—N. T. Bras, pastor.

Mr. and Mrs. J. Stewart are spending a week at Taber this week. Mr. Shearer is in charge at the City Inn during Mr. Stewart's absence.

Mr. and Mrs. J. Reid, who have been the guests of their brother on Broadway for a few days, returned to Lethbridge on Monday.

Rev. Mrs. Powell, repp. of missions for the Methodist Church, is expected to pay a visit here this week. He will probably visit Bow Island also.

The free picture show given on Monday night by R. S. Beattie at the Biltmore was a most entertaining one. The film was well made, the trials and the obstacles which a Ford car overcame in negotiating a trip across the continent, showed what can be done with a motor car.

4th—If it is eventually found to be advisable to lay down cement sidewalks, it will not be as well, in view of the circumstances given above, to confine this improvement to Main Street, and see how it works.

These are pertinent questions,

Whither Are We Drifting?

The decision of the Town Council at its last meeting to borrow the sum of ten thousand dollars to lay down cement sidewalks is one that should have the serious consideration of the ratepayers. The sum is so large and so greatly exceeds the amount that was at first proposed as to occasion considerable alarm. When the petition was first taken up it was understood by many that the amount involved was somewhere in the neighborhood of \$3000.00. Probably if one had been experienced in the engineering and mechanics of the work to be done it would have been realized that the work could not be done for the sum stated. The ratepayers were assured, however, that the matter had been carefully figured out and upon this understanding many signed the petition which now would refuse to do so.

A bad mistake has been made. Instead of \$3000.00 we are now confronted with a sum more than three times that amount.

Is it wise? Is it advisable? And—is IT NECESSARY?

At the present time we have an extra mill of taxation for the Patriotic Fund. No one objects to that.

This year and the next—so far, so good—will after the big cost of our new school, result in an important and the dominant feature of our taxation. We all recognize this and are prepared to meet it.

In addition to the above, however, the Council, it is understood, contemplates some important alterations to the gas system. What the amount involved is we do not know, but it will amount, if the system is to be put into practical shape, to a not inconsiderable sum.

We also have requests from the Board of Health for various things. These are now under advisement.

Putting one thing with the other it compels one to put the query at the top of this article. The sidewalks on Main Street are in bad condition and undoubtedly need attention. There are one or two questions, however, in which the ratepayers are compelled to ask.

1st.—Has a careful estimate really been made as to the relative cost of cement and lumber for this purpose? If so, it will be submitted to the ratepayers?

2nd.—Is it proposed to lay the cement sidewalks under the guidance of a competent man?

In some towns, be it added, the cement has cracked with the first winter, showing the absence of practical advice.

3rd.—Is it not a fact that the grading of the roads has an important bearing on the laying of cement sidewalks?

(This latter query is put because the writer has noticed in another town where the cement sidewalk has been laid below the level of the road, with the consequence that the sidewalk is covered in the spring with a considerable amount of water.)

4th—If it is eventually found to be advisable to lay down cement sidewalks, it will not be as well, in view of the circumstances given above, to confine this improvement to Main Street—and see how it works.

These are pertinent questions, forced upon one possibly more by the fact that conditions this year will be quiet and that the garnering of a slim crop will inevitably be followed by a shortage in tax receipts.
